Pledge of Allegiance

Over View of SHAC: Discussed Epi Pens for schools. We do have two sets available to each campus An adult and a JR pen. All staff and parents are aware. We had guest speakers such Glenda McDonald – guest speaker for our Employee wellness and physical plant, Roxi Thomas- A guest speaker for our Nutrition Environment and services, Coach Phillips discussed Health Education and Physical Education and Physical Activity, Angie Huckabee discussed Social and Emotional Climate and Counseling, Psychological and social services.

Discussed the screening on Scoliosis for 6 and 9th grader to be done on February 9, 2017. These screenings are done yearly by the school nurse to detect any spinal deformities

Forsan ISD had a free EKG's for our students grade levels 7th -12th grade. This was funded by the Cody Stephens Go Big or Go Home Foundation and it will be the last year that it will be offered free of charge.

PIPS (Players in Performance)- Informed that this will be done next basketball season. Nurse already received information on starting this in the school system for grade levels K-6 th .
